Research of Literature

```
graph TD; A[Research of Literature] --> B[Collect Data]; B --> C[Integration of Machine Learning Algorithm]; C --> D[Test our result]; D --> E[Create a watering plan];
```

The diagram is a vertical flowchart with five steps. Each step is contained within a rounded rectangular box. The boxes are arranged in a descending staircase pattern from top-left to bottom-right. The color of the boxes transitions from a bright orange at the top to a dark grey at the bottom. Downward-pointing arrows connect each box to the one below it, indicating a sequential process.
